

## OVERNIGHT PARKING PROGRAM OVERVIEW

We are pleased to introduce the Village of Shorewood's extended Overnight Parking Program. The program allows property owners on parts of N. Oakland Ave., E. Capitol Dr., and N. Wilson Dr. to purchase a quarterly parking permit granting on-street alternate-side parking of one vehicle from Sunday evening to Friday morning. Each permit corresponds to a particular Permit Area within the village (T, W, X, Y, or Z). **Permits may only be purchased by property owners or managers; tenants must obtain their permits from their property owner or manager.** Details on a particular Permit Area and the program itself is provided in this brochure.

## PROGRAM ADMINISTRATION

The Overnight Parking Program is administered similarly to the Village's current off-street/municipal lot and the N. Oakland Ave. on-street program. Under the Overnight Parking Program, permits are sold directly to property owners and are purchased for a designated three month period: January – March, April – June, July – September, and October – December. Property owners are responsible for providing the Village customer service counter with current vehicle information for each permit they have purchased.

If purchasing permits by mail, it is recommended that property owners submit their payment for the next quarter permit before the 20<sup>th</sup> of the last month of the existing quarter to assure the timely receipt of the next period's permit. Owners may purchase their permits for the entire year. According to Village policy, permits may not be sold for more than face value.

## PROGRAM HISTORY

The Village of Shorewood approved a pilot on-street parking program for N. Oakland Ave. north of E. Capitol Dr., in March of 2006. Due to the program's success, the Village Board approved an extension of the program in March 2008. Introduced on July 1, 2008, the extended program now includes N. Oakland Ave. south of E. Capitol Dr., E. Capitol Dr. east and west of Oakland Ave., as well as most of N. Wilson Dr.

**NOTE:** Please be advised that this program is subject to change.

## PARKING REGULATIONS

Permits will allow parking on alternate sides of designated streets, within their designated letter.

**ON SUNDAY, TUESDAY AND THURSDAY NIGHTS** a vehicle with a valid night permit must be legally parked on the side of the street with even house numbers (north and east side of the street).

**ON MONDAY AND WEDNESDAY NIGHTS** a vehicle must be parked on the side of the street with odd house numbers (south and west sides of the street).

All vehicles must obey all time zones and other parking restrictions. Per ordinance, all vehicles must be moved at least once every 24 hours to not be considered abandoned.

Please follow all signs posted in the area.

As of March 2016, the Village of Shorewood switched to a new system for parking enforcement. This system scans license plates to determine whether or not the vehicle is permitted to park in the area. This new program means: there is no need to adhere to a physical sticker to your bumper, there is no sticker to lose or fall off the vehicle and there is no sticker to remove when you sell your vehicle.
