Celebrate Shorewood ...

AND MAKE A LASTING IMPRESSION WITH YOUR GIFT

The Shorewood Foundation has partnered with the Shorewood Parks Commission and the Shorewood School District to invite you and your family to enhance the beauty and quality of our community by donating useful and attractive amenities to our parks and public areas. By creating a planned giving donation or honoring a loved one's life with your gift, you can help preserve the quality of life in Shorewood for years to come.

SO MANY WAYS TO USE YOUR GIFT

Your gift can be used toward a variety of amenities that will add enjoyment for our residents and guests. This brochure highlights just a sampling of the suggested items, including benches, bike racks, playground equipment and upgrades to our magnificent Atwater Beach. Approximate costs are also listed.

To acknowledge your gift, memorial plaques can be attached to the item, whenever possible, and donors will be recognized in the Manager's Memo and in the *Shorewood Today* magazine.

Choose from these many beautiful ways to honor your loved one, give back to the community and enhance the beauty of Shorewood. Please contact the Village Manager's Office at Village Hall (414.847.2700) for additional ideas about legacy giving. What a wonderful way to make a difference and a lasting impression in the Shorewood community we all love.

ABOUT THE SHOREWOOD FOUNDATION

The Shorewood Foundation is a non-profit organization supporting culture, celebrations and recreation in our community since 1964. The Foundation combines individual donations that, taken together, have a meaningful impact on the community. By supporting a wide range of activities and special events, we help make Shorewood a unique and very special place to live, work and shop.

Your gift to the Shorewood Foundation can be directed toward a specific item or request, or to the general fund. All gifts, no matter how big or small, are welcome and appreciated, and go directly back to support our community.

CONSIDER AN ESTATE GIFT BY JOINING THE PRESIDENT'S CLUB

The Shorewood Foundation accepts planned gifts from your estate or a bequest from your will. Donors that do so at a \$25,000 level or more are included in the Shorewood Foundation's President's Club and are recognized for their continuing support of the Shorewood community. These donors have experienced and recognize all the benefits of Shorewood living and their donations ensure that future generations will also benefit from Shorewood's quality of life.
