1. Call to order.

The meeting was called to order at 8:37am

2. Consider approval of April 5, 2023 meeting minutes.

Laura moved to approve, seconded by Anna and the motion carried 4-0.

3. Update on Ghost Train status

Ellie met with previous Public Art committee members heavily involved with the Ghost Train who would like to see the train run every 15 minutes instead of historical times. Committee suggested an increase in frequency to once per hour perhaps on a temporary basis as a relaunch of the Ghost Train once all repairs are completed. A component of this will be changing the programming that allows for the colors and patterns to be modified. Ellie will look into training on the network programming piece. Ellie discussed getting the specs from Marty Peck (original lighting designer) so it can be reprogrammed when the cabinet is reorganized. Ellie also checked with ProAudio about the sound which was not working, but has been restored.

4. Discuss Other Old/New Business.

None from the committee.

5. Discussion of Arts festival and tour of possible spaces at Shorewood High School.

The committee toured the Auditorium, studio theater, and dance space at Shorewood High School to get an idea of how the set up could be done for the arts festival. Discussion regarding upcoming events at Shorewood High School will inform the committee about when to host the arts festival and future planning needs.

6. Adjournment.

Deb moved to adjourn, seconded by Anna and the motion passed 4-0. The committee adjourned at 9:18am.

Respectfully submitted by,
Chris Anderson, Assistant Village Manager
