RE: Oakland Avenue resurfacing project

The 2021 resurfacing of N. Oakland Avenue from E. Edgewood Boulevard to E. Capitol Drive is scheduled to begin Monday, July 19, weather permitting. This project will include the repair/replacement of areas of deteriorated concrete pavement and the installation of a new asphalt driving surface over the entire roadway.

Weather permitting, the following schedule is anticipated:

Week of Monday, July 19	Traffic control placement, reconstruction of centerline manholes; Northbound and southbound traffic in parking lanes.
Week of Monday, July 26	Northbound lanes: reconstruction of manholes, concrete repair; All traffic in southbound driving and parking lane.
Week of Monday, August 2	Mill and pave northbound lanes; Shift traffic to northbound lanes when complete; Southbound lanes: reconstruction of manholes, concrete repair.
Week of Monday, August 9	Mill and pave southbound lanes; pavement marking of entire roadway.

Please note that in order to maintain through traffic during construction, no street parking will be available.

It is expected that driveway access will be maintained throughout the project. Should any long-term driveway closures be necessary, impacted property owners/tenants will be notified.

If you have any questions regarding the project, please contact the Department of Public Works at (414) 847-2650. Project updates or information will also be distributed to business owners through the Shorewood Business Improvement District and at www.villageoshorewood.org/Oakland21.

Sincerely,

Leeann Butschlick, Director
Department of Public Works
